

Job Posting –Communications & Public Engagement Specialist

The Inter-Council Network (ICN) is a coalition of the eight Provincial and Regional Councils for International Cooperation. These independent member-based Councils are committed to global social justice and social change, and represent nearly 400 diverse civil society organizations (CSOs) from across Canada. The ICN provides a national forum in which the Councils collaborate for improved effectiveness and identify common priorities for collective action. Rooted in communities across Canada, we are leaders in public engagement at a local and regional level, and are recognized for bringing regional knowledge and priorities to the national level.

As part of the ICN, the Manitoba Council for International Cooperation (MCIC) supports, connects, and amplifies the work of our members and partners, directly engaging and collaborating with Manitobans for global sustainability. As a coordinating structure, we promote public awareness of international issues, foster member interaction, and administer funds for international development.

MCIC, on behalf of the Inter-Council Network, is launching an innovation initiative named **FIT - Fund for Innovation and Transformation/le Fonds pour l'innovation et la transformation**, to test innovative solutions to development challenges. Its purpose is to advance the effective use of and learn from innovative solutions that will improve the lives, equality and empowerment of women and girls, their families and communities in the Global South.

ICN is seeking a qualified bilingual individual to join this exciting new initiative in the role of Communications & Public Engagement Specialist.
