

Public Engagement: Impacting Manitobans on Development Issues

What is public engagement?

Public engagement is the process of moving people through a continuum from basic awareness, to understanding, to personal involvement and informed action on a certain issue. This movement from awareness to action doesn't always follow a straight path – it's important to reach out to people wherever they are on the public engagement continuum. In this way, you are supporting the engagement process and increasing action on international development and global issues.¹

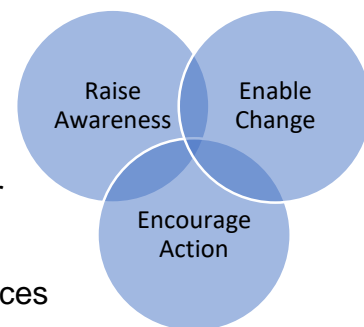

MCIC defines public engagement as the practice of inspiring, supporting, and challenging people and groups in dynamic cycles of learning, reflection, and action on global issues. It is a transformative process that works towards more equitable social, economic, environmental and political structures.²

What should public engagement activities do?

Raise awareness of international development and global issues.

Enable change through helping people understand that their actions matter and impact the world.

Encourage action by providing people with tools and resources to take action.

What does MCIC expect for public engagement?

MCIC expects you to engage Manitobans through the work of your project or in general outreach efforts. Whether it's helping to increase awareness and understanding of the issues, showing people how their actions matter or encouraging them to take action, you play a big role!

A few examples of public engagement activities

- Social media / online engagement via platforms such as Facebook, Twitter, Instagram, Snapchat, websites or blogs
- Newsletters (mail or digital), flyers, bulletin inserts, or emails
- Presentations with faith groups, community meetings, movie screenings, local clubs, theatre, meetings with your local MP/MLA or other elected officials
- Workshops, lunch & learns, coffee hours or information sessions

- In-person conversations or other direct outreach to your networks
- Activities or local events such as an Ethical Fashion Show, dessert nights, dinners or fall suppers
- Displays at a local community centre, business, faith group, shopping mall, festival or other public location

Public engagement tips

Provide a range of things people can do to get involved (including one right at your event) i.e.: donate, write a letter, bring a friend to an event, share a newsletter or post, read a flyer, sign a petition, and so on.

Count the number of people who attend your event or separate out Manitoban numbers from your activities for reporting.

Expand your audience! Reach out in new ways and ask your constituents to share with their friends and family. Be sure to give them something easy to share – a video, story or post!
