Waterman recognized for leadership skills

Breanna Waterman is being recognized for her leadership skills and sense of citizenship by the Manitoba Council for International Cooperation (MCIC). The grade 12 student from Erickson Collegiate (ECI) is one of four Manitoba high school graduates being awarded MCIC's Global Citizenship Award. Through their local and global actions, these students are changing and improving the lives of hundreds including children, youth, people with disabilities and those living in poverty beyond our borders.

According to Breanna, who is the daughter of Rick Waterman and Michelle Wilman, "A global citizen is a person who works to end in-

Breanna Waterman

ternational inequality by helping to provide the resources for communities to become self-sufficient. A global citizen will also work to educate others on global citizenship."

As a leader with Students Making a Difference (SMAD)

and through her involvement in creating the Leave a Legacy Fund, which is designed to provide financial assistance for students at ECI wishing to go on international volunteer trips, she is doing exactly that. Breanna plans to attend the University of Winnipeg to study Bio Psychology and Business.

The Global Citizenship Award was established in 2009 to recognize students who have engaged in meaningful leadership and global citizenship volunteer activities aimed at a more just and sustainable world. Each will receive a certificate at their graduation ceremony and a \$200 award.

The Manitoba Council for International Cooperation

(MCIC) is a coalition of over 40 organizations involved in international development. An independent non-profit organization, MCIC is responsible for distributing Government of Manitoba funds des-

igned for international development and emergency relief and rehabilitation and works within Manitoba to build understanding and engagement on international issues.

WOOD'S SUPER MART

HWY #10 ONANOLE, MB

Len and Terry Wood of Wood's Super Mart would like to announce that we have sold our grocery business. It has been a pleasure serving our many valued customers from near and far over the past 17 years. Thanks for your patronage; we will treasure our "chats" and relationships forged over the years.

We would also like to thank our children: Melanie; Gordon and wife Andrea, their children Olivia, Lucas and Brandon; Shelley and husband Dan, their children Sam and Tessa for their unwavering love, support and hard work to help make our business a success. Sorry grand kids, no more "free treats" at Grandpa and Grandma's store.

We extend welcome and well wishes to the new owners Barry and Dawna Skwdland and WOOD'S GENERAL STORE which opened May 12, 2012. The store will continue to provide all your grocery needs, fresh meat, produce and the ever popular in-store baked goods.

Good luck Barry and Dawna and farewell valued customers!
